

HOW TO REGISTER YOUR BRANCH DELEGATES

1. The BGM completes its business of nominations and electing the branch delegates and substitutes.
2. Immediately when BGM ends, Branch secretary and chairperson complete Nominations forms and Branch delegate forms, and take photos of these forms with their phones.
3. The Branch Scanner then open their scan app with QR code (same as for BGM), fill in the information of the Branch delegates and substitutes on the app, in order of number of votes received.
4. Scanner then scans the IDs of the Cdes elected as Branch delegates into the system.
5. Branch secretary emails the photos of the Branch Delegate Registration form to ***Registration55@anc1912.org.za***
6. Place signed registration form in sealed envelope and deposit in Elections boxes in regional or provincial office.
